

Topic of the Month: Is Your Aircraft Ready to Fly?

Come join safety minded pilots to review regulations and practices for maintaining aircraft airworthiness, from working with your mechanic to completing a thorough pre-takeoff check, so that you minimize the chance of in-flight mechanical or electrical emergencies.

Directions: Hwy 101 North or South – exit at Airport Blvd. Go west on Airport Blvd, turn right on Skylane Blvd, second right into Sonoma County Office of Education (SCOE). Follow signs in building to meeting room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
